Foresight Enterprise VCT Share Offer

Applications under the Offer will normally be accepted on a first come, first served basis, subject always to the discretion of the Board. For these purposes 'first come, first served' shall be assessed based on the date and time of receipt of a fully completed Application (i.e. all mandatory fields on the Application Form completed), subject to receipt of Application monies (in full, including those making multiple payments) in cleared funds within three Business Days thereafter (or, if earlier, before the Offer deadline or close of the Offer) to retain the Applicant's position of priority. If Application monies are not received within such time, the relevant date and time shall be when the Applicant's actual Application monies (in full) are received in cleared funds. Post-dated cheques will not be accepted.

Please ensure you have completed this Application Form in full, arranged payment and sent this via cheque or bank transfer at the same time as submitting your Application.

Application Procedure

Foresight Enterprise VCT plc (the Company)

Ordinary shares of 1p each in the Company (Offer Shares).

An Application may not be considered as 'complete' until identity verification is completed and/or, where relevant, information or supporting evidence required for the Application remains outstanding.

Your Application should be submitted so as to arrive as soon as possible but in any case no later than 12.00 noon on 30 March 2026.

Cheques should be enclosed with the Application Form unless Application monies have been sent by bank transfer.

Please note that, in light of the forthcoming reduction to the rate of upfront income tax relief, as announced in the 2025 Autumn Budget, and based on fundraising levels in previous years, capacity is expected to fill quickly so the quickest way to secure a place is to submit an application via the portal for advisers and admins.

If you post your Application Form, you are recommended to use first class post and to allow at least two Business Days for delivery. Applications submitted (in particular with a cheque) should allow for seven Business Days for their funds to clear (in particular in relation to ensuring the Receiving Agent is in receipt of cleared funds prior to 12.00 noon on 30 March 2026).

Before completing this Application Form you should read the prospectus dated 6 January 2026 (**Prospectus**), in particular the risk factors on pages 10 to 12, the details of the Offer on pages 51 to 54, the Terms and Conditions of Applications on pages 92 to 97 and the Application Procedures on pages 98 to 101. Definitions used in the Prospectus apply herein.

Please note that the number of Offer Shares to be allotted to a successful Applicant will be determined by applying the Pricing Formula set out on pages 53 to 54 of the Prospectus.
